

Nominations Now Open

\$100,000 Penn Vet World Leadership in Animal Health Award

This award is a prestigious international tribute to veterinarians who have profoundly influenced human and animal health. If you know a veterinary professional who has contributed to the health and well being of animals, the environment and society, please consider nominating them for this celebrated distinction.

Visit www.vet.upenn.edu/worldawards for more information. Nominations for the 2011 award will be open until Friday, March 18, 2011.
