

RESOLUTION No. 17

**Recognition of the Bovine Spongiform Encephalopathy Risk Status of Members**

CONSIDERING THAT

1. During the 67th General Session, the OIE World Assembly of Delegates (the Assembly) established a procedure for annually updating a List of Members and zones, categorised by their bovine spongiform encephalopathy (BSE) risk according to the provisions of the *Terrestrial Animal Health Code (Terrestrial Code)*,
2. Through the Adapted Procedure 2020, the Assembly adopted Resolution No. 15, which specified and updated the procedure for Members to follow to achieve official recognition and maintenance of status of certain diseases, including BSE risk status,
3. Through the Adapted Procedure 2020, the Assembly adopted Resolution No. 16, which specified and updated the financial implications for Members applying for evaluation of official recognition of BSE risk status to meet part of the costs defrayed by the OIE in the evaluation process,
4. During the 79th General Session, the Assembly noted that an explanatory document outlining the standard operating procedures for official animal health status evaluations had been compiled by the OIE Headquarters for the benefit of Members,
5. During the 85th General Session, the Assembly noted a complete revision of the standard operating procedures providing further details on the process of official status recognition. The document has been published on the OIE website,
6. During the 86th General Session, the Assembly noted an explanatory document outlining the standard operating procedure for official recognition of animal health status of non-contiguous territories as part of a Member already having an OIE official animal health status. The document has been published on the OIE website,
7. Information published by the OIE is derived from declarations made by the OIE Delegates of Members. The OIE is not responsible for publication and maintenance of Members' or zonal risk status based on inaccurate information or untimely reporting to the OIE Headquarters of changes in epidemiological status or other significant events subsequent to the time of declaration of the BSE risk status,

THE ASSEMBLY
