SECOND PART

Section V - Arrangements for each of the obligatorily notifiable diseases

|   | Pages |
|---|-------|
| 1° - Diseases in the O.I.E. List A :  |       |
| Chapter I - Foot-and-Mouth Disease . . . . .<br>(Articles 45 to 62)                                       | 34    |
| Chapter II - Rinderpest . . . . .<br>(Articles 63 to 78)  | 43    |
| Chapter III - Contagious Bovine Pleuropneumonia . . . . .<br>(Articles 79 to 88)                          | 50    |
| Chapter IV - Lumpy Skin Disease . . . . .<br>(Articles 89 to 98)  | 55    |
| Chapter V - Anthrax . . . . .<br>(Articles 99 to 103)   | 59    |
| Chapter VI - Sheep Pox and Goat Pox . . . . .<br>(Articles 104 to 112)                                    | 61    |
| Chapter VII - Bluetongue . . . . .<br>(Articles 113 to 119)   | 65    |
| Chapter VIII - Horse Sickness . . . . .<br>(Articles 120 to 127)  | 69    |
| Chapter IX - Glanders . . . . .<br>(Articles 128 to 132)  | 73    |
| Chapter X - Dourine . . . . .<br>(Articles 133 to 137)  | 75    |
| Chapter XI - Classical Swine Fever . . . . .<br>(Articles 138 to 154)                                     | 77    |
| Chapter XII - African Swine Fever . . . . .<br>(Articles 155 to 170)                                      | 85    |
| Chapter XIII - Enzootic Porcine Encephalomyelitis (Teschen<br>Disease) . . . . .<br>(Articles 171 to 185) | 92    |
| Chapter XIV - Fowl Pest . . . . .<br>(Articles 186 to 187)  | 98    |
| Chapter XV - Newcastle Disease . . . . .<br>(Articles 188 to 205)   | 99    |

./..

|  | Pages |
|--|-------|
| Chapter XVI - Rabies . . . . .<br>(Articles 206 to 211)                | 107   |
| 2° - Chapter XVII - Brucellosis . . . . .<br>(Articles 212 to 216)     | 110   |
| Chapter XVIII - Bovine Tuberculosis . . . . .<br>(Articles 217 to 223) | 117   |

THIRD PART

Section VI - Arrangements applicable to the diseases in Lists B and C  
of the O.I.E.

|  |     |
|--|-----|
| Chapter I -  |     |
| - Vesicular Stomatitis . . . . .<br>(Articles 224 to 227)  | 122 |
| - Leptospirosis . . . . .<br>(Article 228)                 | 124 |
| Chapter II -   |     |
| - Leukaemia in Cattle . . . . .<br>(Article 229)           | 125 |
| - Mastitis . . . . .<br>(Article 230)                      | 126 |
| - Johne's Disease . . . . .<br>(Article 231)               | 127 |
| - Trichomonas Infection . . . . .<br>(Articles 232 to 234) | 128 |
| - Bovine Vibriosis . . . . .<br>(Articles 235 to 237)      | 130 |
| Chapter III -  |     |
| - Contagious Agalactia . . . . .<br>(Article 238)          | 132 |
| Chapter IV -   |     |
| - Infectious Equine Anaemia . . . . .<br>(Article 239)     | 133 |
| - Equine Encephalomyelitis . . . . .<br>(Article 240)      | 134 |

./..

- Mange and Scab . . . . . 135  
(Article 241)
- Equine Viral Rhinopneumonitis and Equine Viral Arteritis . 136  
(Article 242)
- Infectious Equine Abortion . . . . . 137  
(Article 243)
- Horse Pox . . . . . 138  
(Article 244)

Chapter V -

- Atrophic Rhinitis of Swine . . . . . 139  
(Article 245)
- Trichinosis . . . . . 140  
(Article 246)

Chapter VI -

- Psittacosis . . . . . 141  
(Articles 247 to 248)
- Pullorum Disease . . . . . 142  
(Articles 249 to 251)

Chapter VII -

- Myxomatosis . . . . . 144  
(Articles 252 to 253)

Chapter VIII -

- Infectious Pancreatic Necrosis of Salmonids . . . . . 145  
(Articles 254 to 255)
- Viral Haemorrhagic Septicaemia of Rainbow Trout . . . . . 146  
(Articles 256 to 257)
- Infectious Dropsy of Carp . . . . . 147  
(Articles 258 to 259)
- Furunculosis of Salmonids . . . . . 148  
(Articles 260 to 261)

Chapter IX -

- Internal Acariasis and Nosemosis of Bees . . . . . 149  
(Articles 262 to 263)
- American Foul Brood and European Foul Brood . . . . . 151  
(Articles 264 to 265)

Section VII - Transitory Arrangements . . . . . 152

Section VIII - Patterns of International Certificates approved by the O.I.E.

|  | Pages |
|--|-------|
| - Pattern of zoo-sanitary Certificate (N° 1) for domestic animals (for breeding or rearing) or wild animals of the bovine, bibovine or bubaline species intended for international trade . . . . . | 156   |
| - Pattern of zoo-sanitary Certificate (N° 2) for animals of the bovine, bibovine or bubaline species for slaughter intended for international trade . . . . .                                      | 159   |
| - Pattern of sanitary Certificate (N° 3) for semen of animals of the bovine, bibovine or bubaline species intended for international trade . . . . .   | 161   |
| - Pattern of sanitary Certificate (N° 4) for meat of domestic animals of the bovine, bibovine or bubaline species intended for international trade . . . . .                                       | 163   |
| - Pattern of sanitary Certificate (N° 5) for products of bovine, bibovine or bubaline origin destined for animal feeding or industrial use intended for international trade . . . . .              | 165   |
| - Pattern of zoo-sanitary Certificate (N° 6) for domestic animals (for breeding or rearing) or wild animals of the ovine or caprine species intended for international trade . . . . .             | 167   |
| - Pattern of zoo-sanitary Certificate (N° 7) for animals of the ovine or caprine species for slaughter intended for international trade . . . . .  | 169   |
| - Pattern of sanitary Certificate (N° 8) for semen of animals of the ovine or caprine species intended for international trade . . . . .   | 171   |
| - Pattern of sanitary Certificate (N° 9) for meat of animals of the ovine or caprine species intended for international trade . . . . .  | 173   |
| - Pattern of sanitary Certificate (N° 10) for products of ovine or caprine origin destined for animal feeding or industrial use intended for international trade . . . . .                         | 175   |
| - Pattern of zoo-sanitary Certificate (N° 11) for domestic equine animals (for breeding and rearing) or wild equine animals intended for international trade . . . . .                             | 177   |
| - Pattern of zoo-sanitary Certificate (N° 12) for equine animals for slaughter intended for international trade . . . . .  | 180   |
| - Pattern of sanitary Certificate (N° 13) for semen of equine animals (stallions or jack-donkeys) intended for international trade . . . . .   | 182   |
| - Pattern of sanitary Certificate (N° 14) for meat of domestic equine animals intended for international trade . . . . .   | 184   |
| - Pattern of sanitary Certificate (N° 15) for products of equine origin destined for animal feeding or industrial use intended for international trade . . . . .                                   | 186   |
| - Pattern of zoo-sanitary Certificate (N° 16) for domestic porcine animals (for breeding and rearing) or wild porcine animals intended for international trade . . . . .                           | 187   |

|   |     |
|---|-----|
| - Pattern of zoo-sanitary Certificate (N° 17) for porcine animals for slaughter intended for international trade . . . . .  | 190 |
| - Pattern of sanitary Certificate (N° 18) for semen of boars intended for international trade . . . . .   | 192 |
| - Pattern of sanitary Certificate (N° 19) for meat of domestic porcine animals intended for international trade . . . . .   | 194 |
| - Pattern of sanitary Certificate (N° 20) for products of porcine origin destined for animal feeding or industrial use intended for international trade . . . . .   | 196 |
| - Pattern of zoo-sanitary Certificate (N° 21) for domestic birds intended for international trade . . . . .   | 198 |
| - Pattern of zoo-sanitary Certificate (N° 22) for wild birds intended for international trade . . . . .   | 200 |
| - Pattern of sanitary Certificate (N° 23) for day-old chicks, day-old turkey-chicks, etc. and eggs of birds for hatching intended for international trade . . . . . | 202 |
| - Pattern of sanitary Certificate (N° 24) for semen of birds intended for international trade . . . . .   | 204 |
| - Pattern of sanitary Certificate (N° 25) for meat of poultry intended for international trade . . . . .  | 206 |
| - Pattern of sanitary Certificate (N° 26) for products of poultry origin destined for industrial use intended for international trade . . . . .                     | 208 |
| - Pattern of zoo-sanitary Certificate (N° 27) for domestic or wild carnivore . . . . .  | 210 |
| - Pattern of zoo-sanitary Certificate (N° 28) for rabbits intended for international trade . . . . .  | 212 |
| - Pattern of sanitary Certificate (N° 29) for products of rabbit origin destined for industrial use intended for international trade . . . . .                      | 214 |
| - Pattern of zoo-sanitary Certificate (N° 30) for fish for breeding and fish eggs for hatching intended for international trade . . . . .                           | 215 |
| - Pattern of zoo-sanitary Certificate (N° 31) for bees and larvae of bees intended for international trade . . . . .  | 217 |
| - Pattern of sanitary Certificate (N° 32) for products of animal origin destined for pharmaceutical use intended for international trade . . . . .                  | 219 |
