

# After action: what next?

**Ivi Luuk**

Estonian Ministry of the Interior

**3-5 April 2023**

Maison de la Chimie, Paris, France

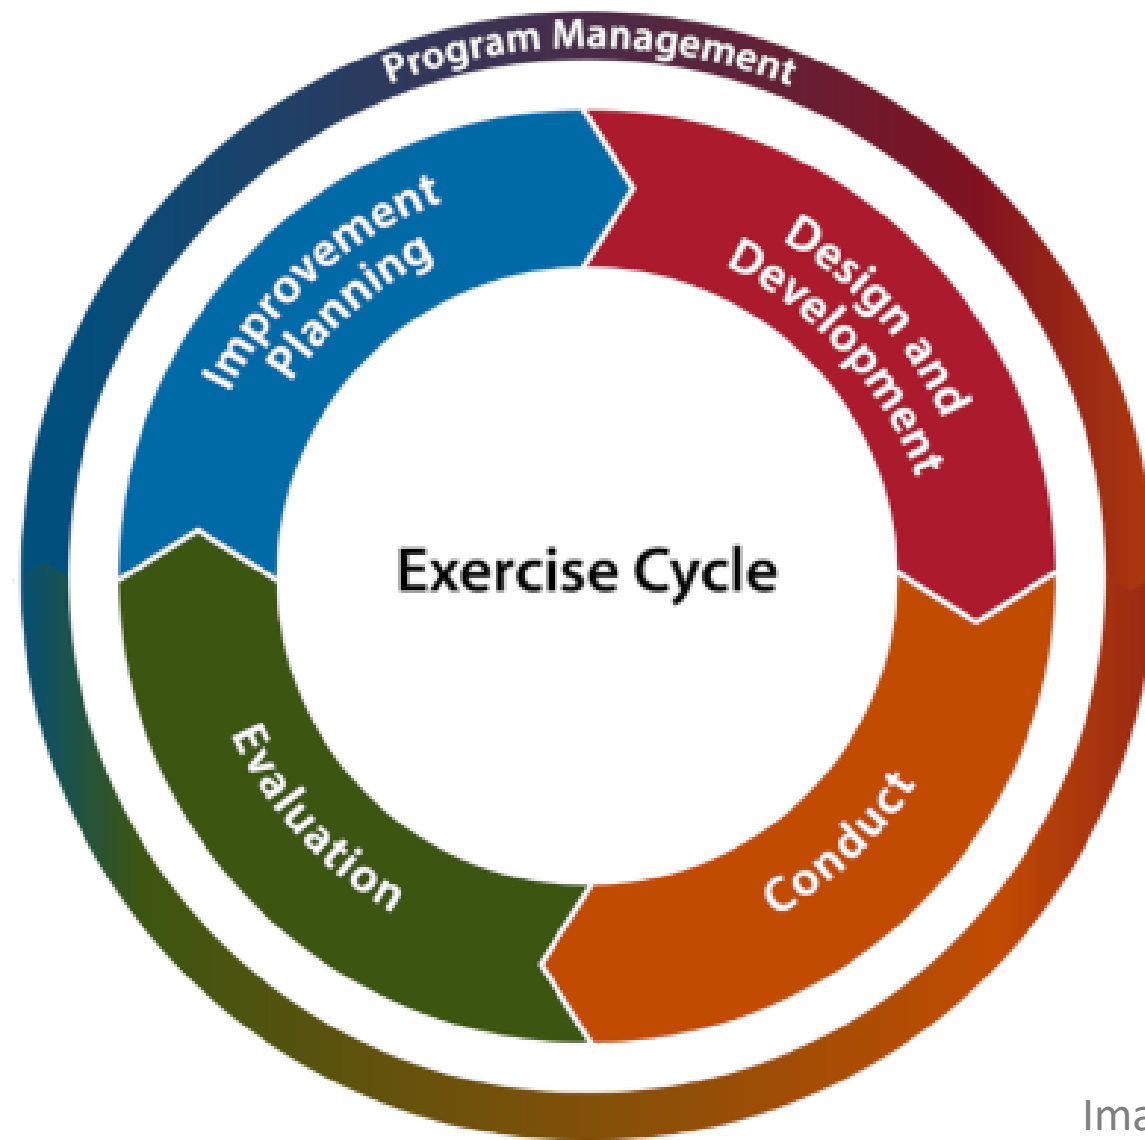

Image courtesy of FEMA

# After Action „Do´s“

---

- **Repeat the action**
  - Momentum vs exercise
- **Make it actionable**
  - Standard Operating Procedures
  - Universally useful tools

# After Action „Do´s“

---

- **Attribute constructively**

*„Any observant local knows more than any visiting scientist. Always. No exceptions.“ – Roger Payne*

- **Acknowledge wins**

- Ownership matters

# Thank you

**iivi Luuk**
