

# One Health Priority Research Agenda for AMR

## Launch Event

**DATE: 28 June 2023**

**TIME: 12:00 - 13:30 CET**

The Quadripartite organizations have developed the One Health Priority Research Agenda for AMR report, this is a joint initiative to assist in directing and catalysing scientific interest and financial investments for the priority research agenda across sectors for countries and funding bodies. The research agenda also serves as a guide to mitigate One Health AMR that will help policymakers, researchers, and a multidisciplinary scientific community work together on solutions to prevent and mitigate AMR within the One Health approach.

We welcome your registration to participate virtually in the webinar to launch the One Health Priority Research Agenda for AMR due to take place on **28 June 2023 from 12:00 to 13:30 CET**.
