

**Agreement for renewal of the
Memorandum of Understanding**

between

**The Food and Agriculture Organization
of the United Nations (FAO)**

and

The World Organisation for Animal Health (WOAH)

and

The World Health Organization (WHO)

and

The United Nations Environment Programme (UNEP)

regarding

Cooperation to combat health risks at the animal- human-ecosystems

Interface in the context of the "One Health"

approach and including antimicrobial resistance

Recalling Article 15(2) of the Memorandum of Understanding (MoU) of 17 March 2022 between FAO, WOA, WHO and UNEP (hereinafter collectively referred to as the “Parties”) regarding Cooperation to Combat Health Risks at the Animal-Human Ecosystems Interface in the Context of the “One Health” Approach and Including Antimicrobial Resistance, which provides that “[s]ubject to satisfactory past implementation, [the] MoU may be renewed for a further term by written agreement between the Parties”.

Recognizing the satisfactory past implementation of the MoU, the Parties agree to renew the MoU until 29 May 2025.

This Agreement for Renewal shall be annexed to the MoU and shall be construed an integral part of it. All other provisions of the MoU shall remain unchanged and in full force and effect.

The Parties agree that electronic signature of this Agreement for Renewal using the Adobe-Acrobat tool shall be treated as valid and legally binding. This Agreement for Renewal shall be treated as an original for all purposes.
