

EXTENSION OF THE AGREEMENT BETWEEN THE OIE AND CAB
INTERNATIONAL ON SHARING OF RESOURCES IN THE ANIMAL HEALTH
& PRODUCTION COMPENDIUM

SHARING OF RESOURCES IN THE AQUACULTURE COMPENDIUM

In respect of the current agreement, OIE and CABI wish to cooperate in sharing and disseminating certain information resources on aquatic animal health, to mutual benefit and for the benefit of their clients throughout the world, in developed and developing countries. OIE and CABI wish this cooperation to be on a mutually supportive, non-profit basis.

The contents of the following annexes are added to the existing ones.

Annex 1

Publicly available information resources

Aquatic animal disease lists
Disease cards associated with these diseases
List of reference laboratories and collaborating centers
Aquatic Animal Health Code
Manual for Diagnostic Tests for Aquatic Animals

Annex 2

Information resources not publicly available

Selected material from:

An Atlas of Histology and Cytology of Marine Bivalve Molluscs. H. Grizel, ed.
Risk analysis in aquatic animal health (Proceedings of the OIE International Conference, 8-10
Feb. 2000). C.J. Rodgers, ed.

Annex 3

Links with the OIE Website and OIE Aquatic Animals Commission Website

Including:
