Le WOAH WildNet est le réseau des centres collaborateurs de l'OMSA dans le domaine de la santé animale sauvage. Le WOAH WildNet aide l'OMSA à améliorer la santé de la faune sauvage à l'échelle mondiale et soutient la mise en œuvre de la stratégie de l'OMSA en matière de santé de la faune sauvage en contribuant au développement et à la diffusion des connaissances, au partage d'informations – y compris en matière d'innovation – et d'expertise, tant au niveau mondial que régional et national.
