

**Acknowledgement of the contributions of Members and Partners  
through voluntary funding, support for WOAHA meetings,  
and the provision of personnel**

CONSIDERING

1. The importance of voluntary financial contributions from Members and Partners, notably through the World Animal Health and Welfare Fund, in supporting the implementation of WOAHA's mandate, Strategic Plans and priority activities, in addition to the statutory contributions received through the Regular Budget,
2. The logistical, financial, and technical support provided by Members in the organisation and hosting of WOAHA meetings, conferences, and workshops,
3. The provision of personnel by Members through secondments, which reinforces WOAHA's technical capacity, fosters knowledge exchange, and contributes to the professional development of both WOAHA and the contributing institutions,

THE ASSEMBLY
